

Welcome to AlwaysCare! We are pleased to offer Dental benefits for you and your family effective 1/1/2018.

Selection of Providers: Members may choose any licensed dental provider. Members have access to our national network of over 170,000 participating access points where they can take advantage of discounts AlwaysCare has negotiated on their behalf. Further, in areas with relatively few participating providers, members have access to our list of an additional 46,000+ “certified” providers who, according to an independent resource, despite not participating in our network, offer excellent value for their customers. Members using participating providers will eliminate balance billing and reduce out-of-pocket expenses. No claim forms needed with participating providers. Visit www.AlwaysCareBenefits.com or call 1-888-729-5433, Ext. 2013 for a list of participating providers.

Dental Carryover Benefit

Members who take care of their teeth, but use only part of their annual maximum benefit during a benefit period are rewarded with extra benefits in future years! If an Insured submits qualifying claims for covered expenses during a benefit year and, in that benefit year, receives benefits that are less than their group's Threshold Limit, the Insured will be credited a Carryover Benefit. Carryover Benefits will be accrued and stored in the Insured's Carryover Account to be used in the next benefit year. If an Insured reaches his or her Certificate Year Maximum Benefit, we will pay a benefit from the Insured's Carryover Account up to the amount stored in the Insured's Carryover Account. The accrued Carryover Benefits stored in the Carryover Account may not be greater than the Carryover Account Limit.

The Limits for this Policy/Certificate are: Carryover Benefit **\$350**, Threshold Limit **\$700**, Carryover Account Limit **\$1250**.

Other Specifications:

- An Insured's Carryover Account will be eliminated, and the accrued Carryover Benefits lost, if the Insured has a break in coverage of any length of time, for any reason.
- Eligibility for a Carryover Benefit will be established or reestablished at the time the first Qualifying Claim in a benefit year is received for Covered Expenses incurred during that benefit year.
- In order to be eligible to accumulate the Carryover Benefit, an Insured must be enrolled in the plan at least four months prior to the start of the new policy year. Example: If the plan effective date is January 1st, the Insured must be enrolled by September 1st.
- Only claims incurred on or after the start of the next Policy Year will count toward the Threshold Limit.
- Carryover Benefits will not be applied to an Insured's Carryover Account until the Policy Year that starts one year from the date the rider first applies.
- If charges for Class C Services are not payable for an Insured due to a benefit waiting period for certain covered procedures, this rider will not apply to the Insured until the end of such waiting period. And, if the waiting period ends within the three months prior to the start of this plan's next benefit year, this rider will not apply to the Insured until the next benefit year.
- Carryover Benefits will not be applied to an Insured's Carryover Account until the benefit year that starts one year from the date the rider first applies.
- Definitions:
- "Benefit Year" means Calendar Year or Policy Year, according to the type of plan applicable under the Policy/Certificate to which this rider is attached.
- "Carryover Account" means the amount of an Insured's accrued Carryover Benefits.
- "Carryover Account Limit" means the maximum amount of cumulative Carryover Benefits that an Insured can store in his or her Carryover Account.
- "Carryover Benefit" means the dollar amount, which will be added to an Insured's Carryover Account when he or she receives benefits in a benefit year that do not exceed the Threshold Limit.
- Qualifying Claim means a claim under Procedure Classes A, B, C, and Class D, Orthodontia & must include 1 exam & 1 cleaning.
- "Threshold Limit" means the maximum amount of benefits for all procedure classes A, B, C and D that an Insured can receive during a benefit year and still be entitled to receive the Carryover Benefit.

Alternate Treatment: AlwaysCare Benefits, Inc. covers the least expensive most commonly used and accepted American Dental Association treatments. Plan members may elect a more expensive treatment, but will be responsible for the cost difference resulting from the more expensive procedure.

Exclusions/Limitations: AlwaysCare Members whose dental plan includes coverage of crowns and bridges will have the option of choosing an endosteal implant to replace a missing tooth instead of a conventional fixed 3-unit bridge, when a 3-unit bridge is approved for coverage. Crowns placed on implants will also be covered. Other implants or implant related services are not covered.

The following dental services are not covered:

- any treatment which is elective or primarily cosmetic in nature and not generally recognized as a generally accepted dental practice by the American Dental Association, as well as any replacement of prior cosmetic restorations;

- the replacement of lost, discarded, or stolen appliances;

- dentures for teeth missing prior to effective date of coverage; some exceptions apply and are detailed in the Certificate of Coverage;
- multiple x-rays done on same date of service will be combined to a full-mouth x-ray;
- cosmetic restorations on posterior permanent teeth and all primary teeth will be given alternate benefit;
- Anesthesia is covered with complex oral surgery only. Charges are subject to review. Pre-treatment estimate is recommended.

Takeover Benefits:

Takeover benefits apply if we are taking over a comparable benefits plan from another carrier and only if there is no break in coverage between the original plan and the takeover date. Takeover is available to those individuals insured under the employer's dental plan in effect at the time of the employer's application. If takeover benefits are included in your benefits, then waiting periods for service will be waived for the individuals currently insured under the employer's previous plan during the month prior to coverage moving to us.

Application of takeover benefits is subject to Underwriting review and approval.

New hires with prior-like dental coverage (lapse in coverage must be less than 63 days) will receive takeover credit for the length of time they had with the prior carrier and must provide proof of coverage (including coverage dates) to receive takeover credit (i.e. one page benefit summary, certificate of creditable coverage, etc.).

Late entrants: Employees that waive coverage at initial enrollment (within 31 days of effective date) or in the new employee eligibility period and/or terminate coverage with AlwaysCare will have a twelve (12) month waiting period applied to basic and major services and orthodontia upon re-applying.

The prior carrier is responsible for reimbursement of costs for procedures begun prior to the effective date.

This brochure is a brief overview of the AlwaysCareSM dental plan. It does not list all benefits, nor does it list all exclusions and limitations. For more complete information, please refer to the Certificate, or the employer's Master Policy, which will be issued when coverage becomes effective.
